before cutting*

1"

This pattern is to scale. Printer setting should be "Actual size" / 100%.

If your printer allows, choose "Borderless printing" so the pattern's lines print right to the edge of the paper. If your printer doesn't have that option, you'll have a white space along the edge of your paper, but cut your pattern piece as though the cut-line goes right to the edge.

MEDIUM MEASURING CUP COVER (2 Cup Capacity) TOP & BOTTOM

- DO NOT CUT ON FOLD
- Cut 2 pieces from fabric for top and bottom
- Cut approx 28" of bias tape
- Cut 1/4" elastic to 12" length
