

This pattern is to scale. Printer setting should be "Actual size" / 100%.

CUTLERY ROLL OUTER PANEL 9" x 8-1/2"

- Cut 1 piece in outer fabric
- Cut 2 pieces of 1/2" wide double-fold binding
 - 42" (for cutlery roll's trim)
 - 28" (for cutlery roll tie)

PLACE ON FOLD

If your printer allows, choose "Boarderless printing" so the pattern's lines print right to the edge of the paper. If your printer doesn't have that option, you'll have a white space along the edge of your paper, but cut your pattern piece as though the cut-line goes right to the edge.
