

This pattern is to scale. Printer setting should be "Actual size" / 100%.

If your printer allows, choose "Boarderless printing" so the pattern's lines print right to the edge of the paper. If your printer doesn't have that option, you'll have a white space along the edge of your paper, but cut your pattern piece as though the cut-line goes right to the edge.

MAKEUP ROLL CASE OUTER PANEL 9" x 8-1/2"

- Cut 1 piece in outer fabric
- Cut 2 pieces of 1/2" wide double-fold binding
