This pattern is to scale. Printer setting should be "Actual size" / 100%.

DRAWSTRING JEWELRY POUCH

- Cut 1 piece in outer fabric (and batting if creating a quilted bag)
- Cut 1 piece in lining fabric

Also cut:

- 2 pieces of ribbon or (2mm - 3mm) rope that are 50" long

1/2" seam allowance

If your printer allows, choose "Boarderless printing" so the pattern's lines print right to the edge of the paper. If your printer doesn't have that option, you'll have a white space along the edge of your paper, but cut your pattern piece as though the cut-line goes right to the edge.
