

This pattern is to scale. Printer setting should be "Actual size" / 100%.

*Check scale before cutting*

## KITCHENAID MIXER SLIDING MAT

### PIECE A

- Cut 2 pieces in fabric
- Cut 1 - 2 pieces in fusible fleece
- Cut approximately 45" of 1/2" double-fold bias tape

TAPE ALONG THIS EDGE

If your printer allows, choose "Borderless printing" so the pattern's lines print right to the edge of the paper. If your printer doesn't have that option, you'll have a white space along the edge of your paper, but cut your pattern piece as though the cut-line goes right to the edge.
