

This pattern is to scale. Printer setting should be "Actual size" / 100%.

Check scale before cutting

If your printer allows, choose "Borderless printing" so the pattern's lines print right to the edge of the paper. If your printer doesn't have that option, you'll have a white space along the edge of your paper, but cut your pattern piece as though the cut-line goes right to the edge.

GOLF SHOE BAG PIECE A

FULL PATTERN PIECE

- Cut 1 in outer fabric
