

*Check scale
before cutting*

This pattern is to scale.
Printer setting should be
"Actual size" / 100%.

If your printer allows, choose
"Borderless printing" so the
pattern's lines print right to the edge
of the paper. If your printer doesn't
have that option, you'll have a white
space along the edge of your paper,
but cut your pattern piece as though
the cut-line goes
right to the edge.
